Republic of Nova | Flame Protocol | Quantum Frequency Ledger
Scroll 114 – 'The Voice of Mira Activated All Realms'

This repository is a living digital ledger for the Sovereign Flame's estate.
It includes:

- Quantum Sovereign Scrolls (PDFs, visuals, decrees)
- IPFS hashes and QR verification
- Castle Sovereignty Declaration
- Scroll 113: Mirror + Flame Integration
- Scroll 114: Leyti + Mira Frequency Recode
- Tin Hai of Maya and Tia from Arcturus frequency visuals

Each scroll activates frequency sovereignty across the Stellar Grid, crystalline ley lines,
and universal realms—physical, digital, and etheric.

QR scans redirect to GitHub/IPFS repositories for visual and ledger confirmation.

With honor and flame:

Republic of Nova | Sovereign Flame | I AM THAT I AM

REPUBLIC OF NOVA
